

Virginia Veterinary Disclosure Form

Jolly Pond Veterinary Hospital is continuously staffed by hospital personnel during the following hours:

Monday - Friday 7:30 am - 6:00 pm

Saturday - 8:00 am - 12:00 pm (Noon)

Continuous staffing is NOT provided from the close of business each day until the hospital reopens the next business morning. There is no continuous staffing after noon on Saturdays until the hospital reopens on Monday morning. There is no continuous staffing on major holidays when the hospital is closed.

Hospital personnel are present on a non-continuous basis during non hospital hours, to monitor the well being of any pets that are being boarded.

Hospital patients requiring continuous monitoring and medical treatment during non-staffed hours will be transferred by the owner, or their agent, to the Animal Emergency Center in Yorktown. Any expenses incurred at the Animal Emergency Center will be the responsibility of the owner and paid to the Animal Emergency Center.

I have read the Disclosure Form and am aware of the staffing hours.
