What To Bring

Dogs & Cats: Comfortable bedding is provided by The Inn; if you bring bedding from home, it must be machine washable. We suggest bringing food from home so your pet does not have to change its diet. We do have Veterinary approved dry & canned food if needed at an additional cost. You may bring treats & toys that your pet enjoys. (No Rawhide!) We reserve the right to take away anything from your pet if we deem it is unsafe. We provide all food & water dishes as well as litter boxes & litter for cats. Please bring any daily medications in the original pill bottle.

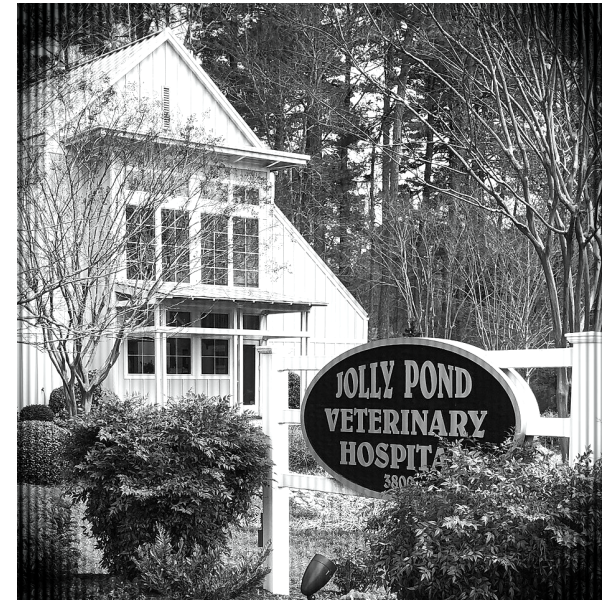

Rabbits: We provide Dr. Brown's recommended wire-bottom cages, litter boxes, litter, Oxbow brand hay & pellets, food & water dishes. You must provide any greens & veggies for your rabbit.

Accommodations

The Inn at Jolly Pond is a state-of-the-art building designed to give boarders a quiet, clean, and spacious boarding environment. We are an extension of Jolly Pond Veterinary Hospital and only board for clients and pets who are registered at the hospital. We provide overnight boarding, day boarding, and bath & nail trim services.

Reservations are required. Spaces are limited, so we fill quickly during holidays and Summer. All boarding is indoors and climate controlled. Dogs go outside in fenced yards for bathroom breaks & exercising.

Inside, The Inn has four large rooms with five runs each for large dogs, a separate room with cages for smaller dogs and a spacious room with condos for cats & wire-bottomed cages for rabbits. We have several adjacent runs with a communicating door that can allow multiple large dogs to be together with ample space. Exercise, quality diets, and human interaction are always provided by our caring staff. We have a large play yard where we can exercise dogs and allow them to mingle with other dogs if you desire. We also have a covered yard to protect from inclement weather.

All dogs that board for 3 nights or more will receive a complimentary bath before going home! For dogs staying less than 3 nights, a discounted bath can be given for \$30.

*A 10% discount will be applied for any boarding stay that is 10 nights or more!
